TARGET: the 2nd ENHANCE Round Table will bring together managers and researchers from Higher Education Institutions (HEI) and Research Institutes, Science and Technology (S&T) authorities, representatives from the private sector and relevant stakeholders in Vietnam.

AIM: the main aim of the Round Table is to exchange ideas on promoting research applications via university spin-offs.

This is meant to encourage dialogue and strengthen cooperation links and partnerships among academia, researchers, industries/private sector and policy makers.

The **objective** of the 2nd ENHANCE Round Table is to foster a discussion on strategy for establishing university spin-offs.

The **expected results** of the Round Table are:

- To encourage dialogue between HE authorities and private companies.
- To exchange ideas for establishing more successful university spin-offs.
- To give suggestions to authorities for better policies towards spin-offs.
- Relevant conclusion drafted after the Round Table and included in the ENHANCE White Paper: “Recommendations towards improving R&I management and Implementation in Vietnam”.
